

Angela Y. Lin

Ms. Angela Y. Lin is a partner of Lee and Li, Attorneys-at-Law who is in the firm's Litigation Department. Ms. Lin has assisted various local and foreign clients in many large Taiwan infrastructure projects including the Taipei MRT project, the Kaoshiung MRT project, the CKS International Airport MRT project, the Taiwan High Speed Railway project, the 4th Nuclear Power Plant project, and several independent power plant projects. Ms. Lin's forte lies in construction litigation, arbitration and mediation, and she is active in local and international arbitration and mediation societies.

Chambers Asia 2014:

"Angela Lin (Lin Yao) specialises in construction-related disputes, handling litigation and arbitration at both domestic and international levels. She further advises on construction projects and real estate transactions."

"Angela Lin (Lin Yao) handles both international arbitration and construction disputes. "I have been very impressed by Angela – she has a very thorough understanding of legal issues in Taiwan,"" said one client."
