Connecting iOS device to "CityU WLAN (WPA)"
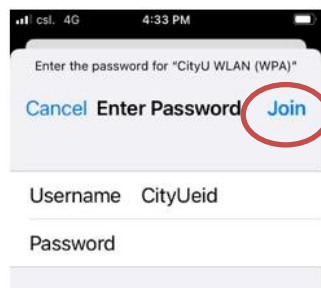

a) Tap "**Home**" and select **"Settings"** icon .

b) Tap "**Wi-Fi**" to list the available wireless networks in range.

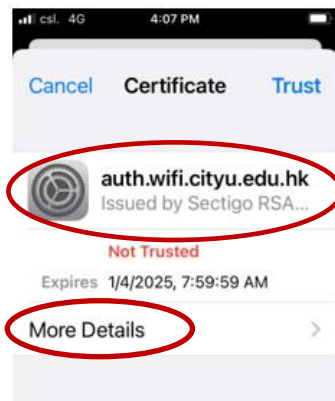

c) Tap "**CityU WLAN (WPA)**".

d) Wait until you see the logon window to prompt you for the username and password. Enter your **EID and** your **network connection password.** Tap "**Join**" to login.

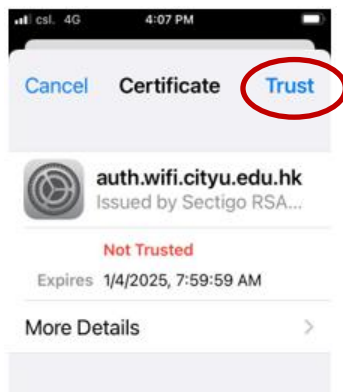

e) Our server will provide its server certificate for validation. Verify the certificate:

- It is issued to "**auth.wifi.cityu.edu.hk**"

- It is issued by '**Sectigo RSA Organization Validation Secure Server CA**"
- You may tap "**More Details**" to see more information.

f) Tap "**Trust**" to accept the certificate.

You can now access the Internet upon successful logon.
