# Connecting Windows 10 to "CityU Alumni" Wi-Fi network
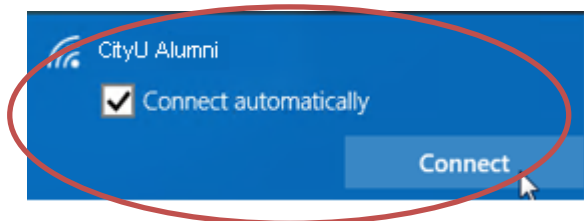

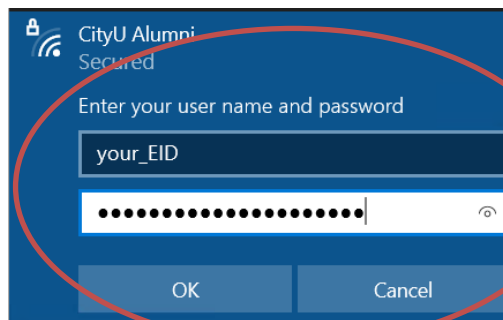

a) Click the **"Network"** icon to list the available Wi-Fi networks in range.

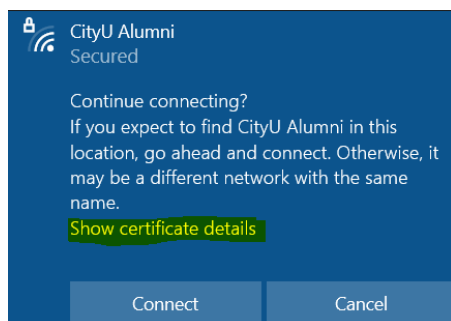

b) Select the "**CityU Alumni**" Wi-Fi network and then click the "**Connect**" button.

c) When prompt, enter your **EID, network connection password** and then press the "**OK**" button to login.

d) A security alert will be displayed. Click "**Show certificate details**" to examine the certificate details.

e) Verify the certificate:

- It is issued to "**auth.wifi.cityu.edu.hk**"
- It is issued by "**Sectigo RSA Organization Validation Secure Server CA**"

and click the "**Connect**" button to continue.

f) You may enjoy free Internet access upon successful logon.
