

Connect Windows 10 to “eduroam”

- a) Click the "**Network**" icon to list the available Wi-Fi networks in range.

- b) Select the "**eduroam**" network and then click the "**Connect**" button.

- c) When prompt, enter your **EID** plus the "**@cityu.edu.hk**" suffix as the login name, **network connection password** and then press the "OK" button to login.

- d) A security alert will be displayed. Click the “**Show certificate details**” to examine the certificate details.

- e) Verify the certificate:

- It is issued to “**auth.wifi.cityu.edu.hk**”
- It is issued by “**Sectigo RSA Organization Validation Secure Server CA**”

and click the “**Connect**” button to continue.

- f) You may enjoy free Internet access upon successful logon.
