Connect Windows 11 to "eduroam"
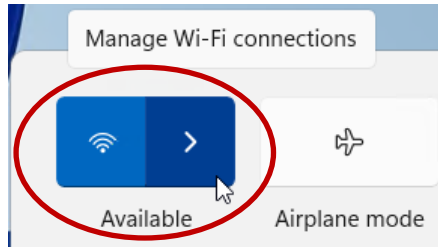

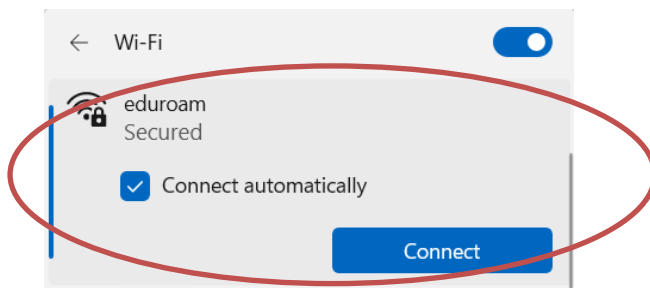

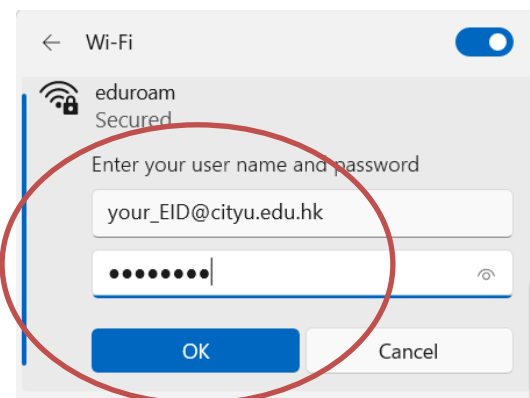

a) Click the **"Network"** icon in the task bar to list the available Wi-Fi networks in range.

b) Select "**eduroam**" and then click the "**Connect**" button.

c) When prompt, enter your **EID** plus the **"@cityu.edu.hk"** suffix as the login name**, network connection password** and then press the "**OK**" button to login.

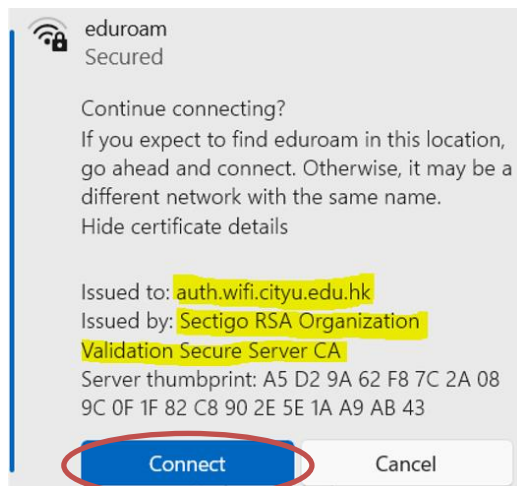

d) A security alert will be displayed. Click "**Show certificate details**" to examine the certificate details.
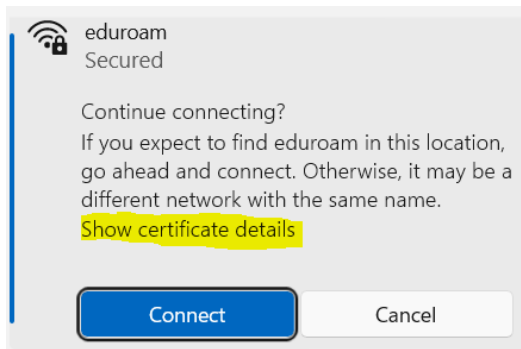

e) Verify the certificate:

- It is issued to "**auth.wifi.cityu.edu.hk**"
- It is issued by "**Sectigo RSA Organization Validation Secure Server CA**"

and click the "**Connect**" button to continue.

f) You may enjoy free Internet access upon successful logon.
