[@] Students whose entry qualifications in HKDSE English Language is below Level 4 are required to take EL0200A and EL0200B, and should take the GE English courses in the following semesters/terms. Furthermore, Students who demonstrate an overall grade B or above in the EL0200A course will be granted an exemption from taking EL0200B, and will be considered to have fulfilled the pre-requisite requirement for the GE1401 (University English) course. These students will be permitted to proceed to directly to the GE University English course.

[#] Students should complete PHY1201 if it is not taken as Science 1 and Science 2. Those who are not required to take PHY1201 should take 3 credit units of Free Elective.

* MNE2020 should be taken in Year 2 during Semester A, Semester B, or Summer Term depending on the allocation and availability of workshop training places.

Students are advised to consult their Academic Advisor in planning their own study paths. Please note that study path planning is both the privilege and responsibility of each student, so do it with care and diligence. Please refer to Student Handbook for further details.
